

Technical cross-section drawing of a window frame assembly. The drawing shows the internal components, including the frame, sash, and glazing. Key dimensions are indicated:

- Overall width: 330
- Distance from left edge to center: 232
- Distance from center to right edge: 230
- Distance from left edge to inner frame: 74
- Distance from inner frame to center: 27
- Distance from center to right edge: 22
- Distance from left edge to outer frame: 20
- Distance from outer frame to center: 22
- Distance from center to right edge: 29
- Distance from left edge to inner frame: 4
- Distance from inner frame to center: 32
- Distance from center to right edge: 50

Technical drawing of a window frame. The drawing shows a cross-section of the frame with dimensions in millimeters. The overall width is 450 mm, with a central opening of 410 mm and side margins of 20 mm. The overall height is 330 mm, with a central opening of 231 mm and side margins of 22 mm. The frame is shown in a perspective view, with a dashed line indicating the outer edge. A label on the right side points to the top edge of the frame, reading "otwieranie i zamykanie nawiewnika" (opening and closing of the air intake).
